

The Day of Atonement

“Here is a law for you that will last for all time to come. On the tenth day of the seventh month you must not eat anything. You must not do any work. It does not matter whether you are Israelites or outsiders. On that day your sin will be paid for. You will be made pure and clean. You will be clean from all your sins in my sight. That day is a sabbath for you. You must rest on it. You must not eat anything on that day. This is a law that will last for all time to come.”

Leviticus 16:29-31 NIRV

"The high priest must pay for sin. He must make everything pure and clean. He has been anointed and prepared to become the next high priest after his father. He must put on the sacred clothes that are made out of linen. He must make the Most Holy Room, the tent of meeting and the altar pure. And he must pay for the sin of the priests and all the members of the community. "Here is a law for you that will last for all time to come. Once a year you must pay for all the sin of the Israelites." So it was done, just as the Lord commanded Moses."

Leviticus 16:32-34 NIRV

"Day after day every priest stands and does his special duties. He offers the same sacrifices again and again.

But they can never take away sins. Jesus our priest offered one sacrifice for sins for all time. Then he sat down at the right hand of God. By that one sacrifice he has made perfect forever those who are being made holy."

Hebrews 10:11-12, 14 NIRV

Questions

1. Why did the high priest have to make atonement for him and the Israelites?

2. Who becomes our High Priest once for all?
How did He do this
